LEGAL PARTNER

lawyers

The name we have chosen,  
**Legal Partner**,  
has a twofold meaning:  
stands and suggests.

# Welcome

It means **together**, synthesis.  
Exceeding the individual,  
it creates an added value greater  
than the sum of the individual parties.

It evokes the **sharing** of a request and  
of necessities,  
of a goal that  
can be effectively achieved  
only if deeply understood.

## MISSION

Our mission is to guide our action,  
constantly looking for

**innovation,**  
holding fast to the value of **tradition.**

We are:

**competent**  
**transparent**      **flexible**  
**eye for details**  
**efficient**      **tenacious.**

# VALUE

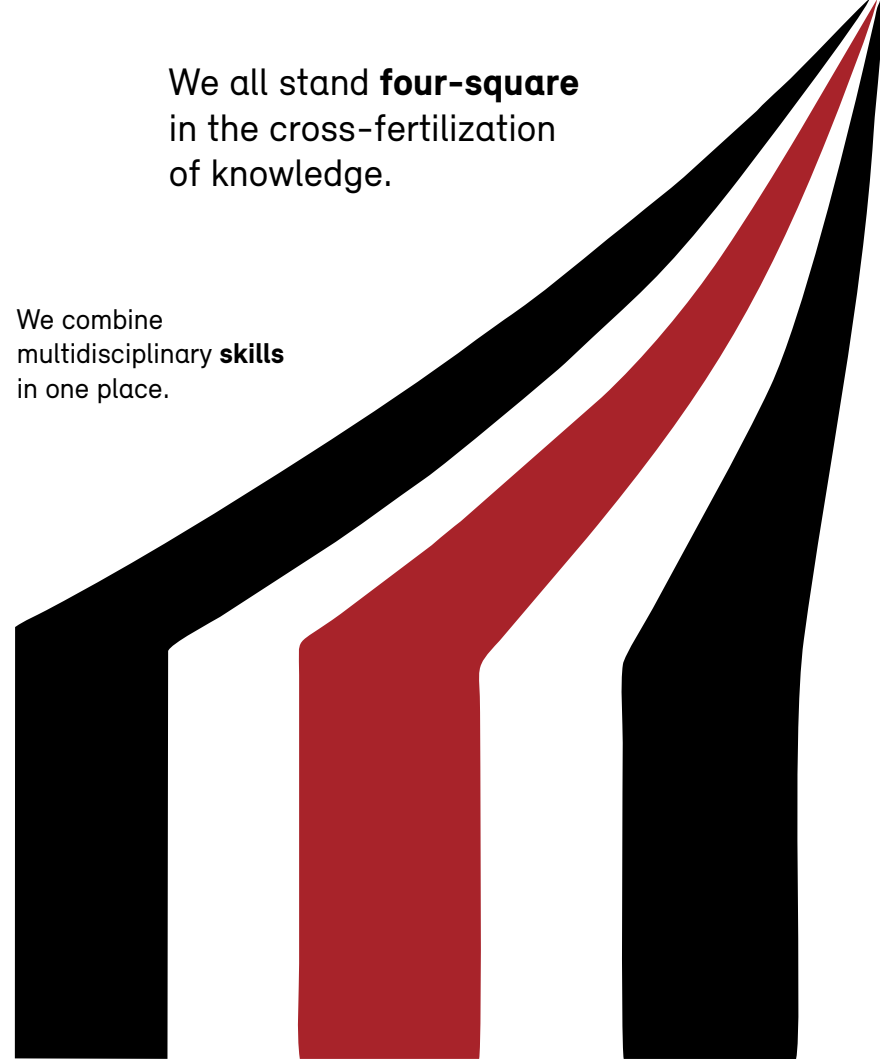

WHY?  
?

For us,  
every opportunity  
of professional **growth**  
is a **value**.

We all stand **four-square**  
in the cross-fertilization  
of knowledge.

We combine  
multidisciplinary **skills**  
in one place.

# INSIGHT

---

**Criminal Law**

**Compliance**

**Corporate Law And Commercial Law**

**Environmental Law**

**Sports Law**

**Civil Liability**

**Energy**

# Criminal Law

Efficiency  
Interdisciplinarity

Genuine **assistance**,  
when it comes to  
successful protection and  
addressing all phases and aspects.

**We observe**  
**reality** from different perspectives,  
making our  
technical and professional  
experiences dialogue.

**We deal** with assisting  
individuals and  
legal entities in court.  
**We provide** out-of-court consultancy  
for criminal risk prevention.

# Compliance

Avoid risks  
Work peacefully

We help companies and  
administrative bodies  
manage  
**operational risks.**

We provide  
regulatory **advice**,  
seeking innovative solutions.

We make our experience available  
for the preparation of  
**compliance** programs,  
assessments and opinions,  
the drafting and adoption procedures of  
organizational models relevant to ex D. Lgs. 231/2001  
and the provision of quality training  
for staff and collaborators.

# Environmental Law

We remain focused  
on innovation,  
which leads us  
into the future

The sustainability of  
production systems  
cannot be divided from the  
**business-environment** nexus.

We support companies  
through the rationale of  
**sharing** goals.

Our professionals and experts  
work with public and  
private companies and  
**Public Administration**  
at all stages of the various  
administrative procedures,  
as well as in any necessary actions  
(i.e., concerning the **Environmental Due Diligence** and  
the adaptation to the **Best Available Techniques**).

# Corporate Law and Commercial Law

Complex initiatives  
challenge us

We **think** in a different way  
in a demanding field which requires  
different specializations.

We **assist** our clients both  
in the judicial and extrajudicial phases,  
with reference to any possible issue  
relating to corporate law:  
ordinary and extraordinary transactions,  
from the incorporation and investment stages,  
towards the development and  
transformation steps,  
through acquisitions, mergers  
capital increases, issue of  
financial instruments.

We support our customers in  
finding the most appropriate **solution**  
for their companies in the field of  
**commercial contracts**  
-both national and international-  
and of joint ventures.

# Sports Law

Dedication  
Cooperation  
Result

We build and maintain  
successful and fruitful  
**institutional relationships**  
with federations and sports clubs.

We have contributed  
drafting and updating  
Statutes and Federal charters.

**We can count**  
on a consolidated experience  
in sports litigation,  
from proceedings both of  
disciplinary and/or economic  
nature, to those related to  
sports fraud or doping.  
**We assist** our clients with  
the acquisition and/or  
sale of sport clubs.

# Energy

Individual talents  
Common force

Governments and energy companies will have to face complex and demanding decisions and issues which will impact the **entire planet**.

Energy is a sector in turmoil which requires **skilled consultants** owning sector **specific knowledge** and competencies and equipped by a **global vision-oriented** mindset.

**We manage**  
business combinations,  
business units' sales,  
**public accounting procedures**,  
complying with the **unbundling** obligations.

# Civil Liability

Quick responses  
Effective solutions

**We manage** complex situations,  
analyzing problems in order to identify  
the most suitable solution.

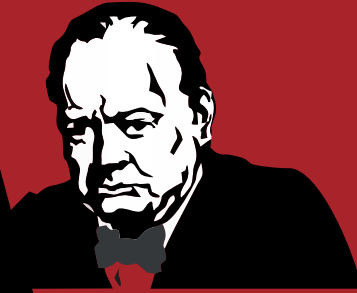

With awareness,  
competence and  
concreteness,  
**we advise**  
on contractual and  
non-contractual liability,  
compensation deriving  
from crimes,  
*medical accidents* and  
traffic victims.

*“There are  
many things  
in life  
that catch  
the eye,  
but only a few  
catch your heart:  
follow those”.*
